takeMS MEM-Drive Countryline

Not only for patriots! – the 4 grams country-style feather-weight

For home-devoted ones and globetrotters, there now exists the small 4 GB USB MEM-Drive Countryline, with dream measurements of 31*14*4 mm (h*w*d). This fashionable souvenir in country-flag design with added benefit is perfectly suited for keychains. Sleek dimensions, modern and yet traditional design, subtle sliding-mechanism, ultrafashionable appearance – simply irresistible. Show your flag! Make sure to get the new MEM-Drive Countryline – and the World Cup can begin!

Breisach, January 13th 2010 – The particularly light 4 GB USB Teeny Weeny is now available with German, Spanish, Italian, Ukrainian, Dutch, Croatian, Portuguese, Brazilian, Serbian and Egyptian national flag. At quantities of 300 pieces of the MEM-Drive Countryline it is also possible in your desired flag, including the matching inlay. The USB-pins are protected from outer influence due to the subtle sliding-mechanism. Naturally, it supports USB 2.0 high speed technology. As for all USB drives by takeMS, a full version of the "Carry it Easy +Plus" software, with a valor of approx. 20 Euro, as well as a free evaluation version of the AntiVir Premium antivirus software by AVIRA is already pre-installed.
