

PRESS RELEASE

The takeMS *Cardreader Portable* mobilizes!

Be mobile any time where ever you want with the new takeMS *Cardreader Portable*. The “Noble” does not only have a fashionable design but is also very thin and compact.

Breisach, March 11th, 2009 – The *Cardreader Portable* convinces through its noble design with a boasted aluminium cap in the colours black or silver. Thanks to its light 23 grams and its dimensions of 54*53*15 mm (h*w*d) there are no limits to mobility. The *Cardreader Portable*'s key advantage: The USB port has been directly integrated – You do not need a separate adaptor. With the *Cardreader Portable* you are immediately ready to go. It exploits the USB 2.0-Standard perfectly with a transmission rate of 480 Mbit/s. The useful Plug&Play function (no installation needed) enables very simple and easy handling. The Hot-Swap ability ensures that the card can be plugged into a running device. The *Cardreader Portable* USB 2.0 is a multi-card-reading and writing device and supports Windows ME/2000/XP/Vista, Mac OS 9.2 and more recent versions.
